FOREWORD

Proudly the Staff of the 1946 Athenian presents to you the result of many hours of work and worry. Despite the fact that we have worked under extreme difficulties, we do not think that our work and worries have been in vain. We of the Staff feel that the success of the book is due largely to the splendid cooperation which we have received from the faculty and student body, and especially the class sponsors. To all of you we say, "Thanks."

Purposely have we chosen the theme of this 1946 Athenian to be "Peace in Our Time." We who are leaving Sherman High have spent three of our high school years in a time of war; this, our last and most important year, has been the first of "peace in our time" since 1942. In what better way can we, the 1946 Seniors, be reminded of this year of peace than through our treasured annual?

SUPERINTENDENT

It was our good luck that our Superintendent, Mr. R. L. Speer, was with us all during our high school years. It gave us a greater feeling of security to know that we had in charge of our school a man whose experience with school affairs made him very capable of seeing that our school maintained its highest standards during the difficult war years.

A "Greater Sherman High School" is a program that was launched during the second semester of this year. To Mr. Speer we say, "Thank you for having done so much in the sixteen years you have been with us to recognize as Superintendent for eight years, the first three requisites in our fourfold program: the provision of adequate physical facilities, a sound administration, and the provision of a highly-trained and well-paid faculty; and for what you contributed during the eight years you were Principal of the High School to the fourth requisite: a student body with high morale."

PRINCIPAL

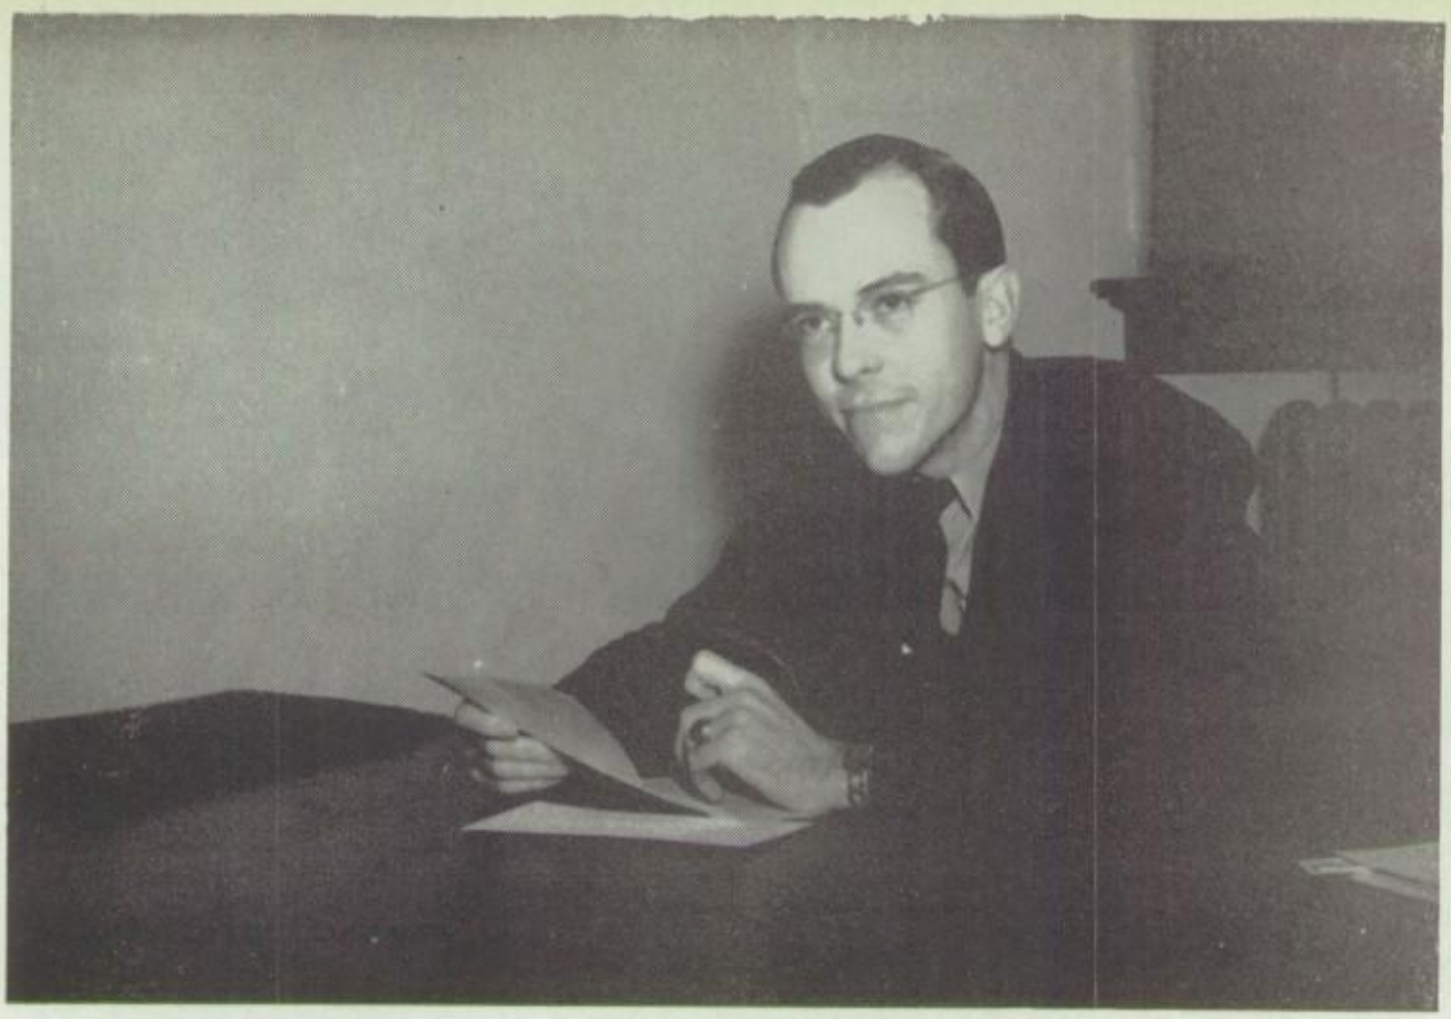
Welcome back, Mr. Davis:

"Peace in our time" brought back to us our Principal, whom we had not known personally but who, we did know, was on "leave of absence" to the United States Army. Mr. Davis came back to us as Captain Davis and we were just a little more proud of Sherman High School's contribution to the victory.

Mr. Davis went into the service July 12, 1942, at which time he was sent to Miami Beach to a training school as a second lieutenant. He was sent first, following his training, to Randolph Field and then to Enid Army Air Field, Oklahoma, where he remained until, May, 1944. At that time he was transferred to Liberal Army Air Field, Kansas and stayed until August 23, when he was transferred back to Enid. On October , 1944, Mr. Davis was sent to San Francisco to a safety school for a month. The next month he spent at the San Antonio Aviation Cadet Center, training as a civilian personnel officer. At the end of the month's training there, he was returned to Enid Army Air Field where he remained until September 30, 1945, at which time he was separated from the service at Shephard Field.

Mr. Davis returned to us on October 1, 1945, and has already made a valuable contribution to Sherman High School, with the cooperation of the Home Room Presidents' Cabinet, in the inauguration of the "Greater Sherman High School" program.

Byron Davis



FAREWELL, MR. W. D. BLUNK:

"Peace in our time" meant also a giving up of a highly respected teacher, who had served as our Principal during the first three of our high school years. Although we hated to say good-bye to Mr. Blunk, we did rejoice in his merited promotion. Through our yearbook we say, "Thank you, Mr. Blunk, for being a friend and leader when the uncertainty of war years made it necessary that we have someone with whom we could talk over our many problems."

DEAN OF GIRLS, MRS. VERA VADEN

Mrs. Vaden has been a member of the Sherman High School faculty for the past seventeen years; during the last two years she has been our Dean of Girls, succeeding Miss Mary Boyd.

During these two years, Mrs. Vaden has gained the friendship and confidence of the girls in SHS. She teaches civics, economics, and history, and is a co-sponsor of the Home Room Presidents' Cabinet.

WHO'S WHO and WHY

MONTE LAWRENCE

Monte Lawrence, a Junior, has through declamation proven his ability as a speaker. This ability he plans to put to good use after he finishes high school at which time he will take up the study of law. At present, Monte's favorite subject is English. For his pastime, he likes hunting and fishing. Monte is a member of the "S" Association, Hi-Y, Dramatic Club, and is out for football.

MARY WALKER

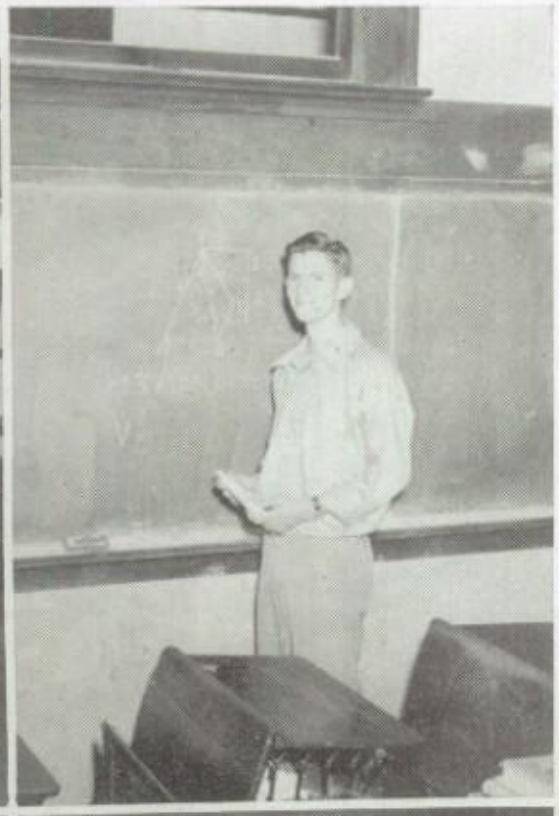
Mary is a Sophomore this year. She has taken an active part in many high school activities, but she devotes much of her time to her hobby, Camp Fire work. Unlike most students, Mary has two hobbies; reading is her second one. Choir and English are her favorites subjects, with Latin a close second. Mary is President of the History Club, Vice-President of her Home Room, a member of the Latin Club, and a member of the Future Homemakers. She plans to go to T.S.C.W.

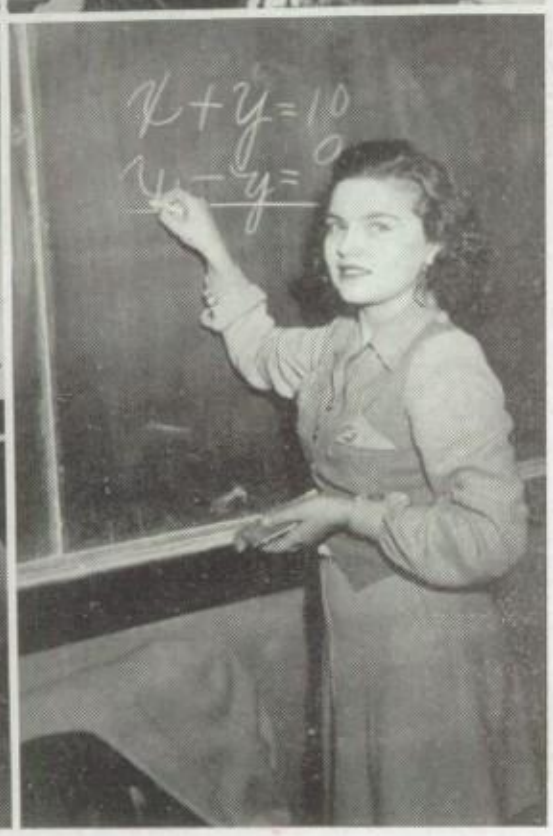
SHARI COVINGTON

Shari Covington has almost a one-Track mind, but what better track could it be on than work and interest in Camp Fire. Her hopes are now to go to T.S.C.W. and train herself to be a Camp Fire Executive. If Camp Fire were a subject in school, Shari would probably list it as her favorite, but as it is not, she lists Latin, and well-chosen it is, too. Shari is a member of the Art Club and of the History Club.

Carrie Sue, a Junior, has already displayed her ability as a writer through the Hi-Talk, of which she is Assistant Editor, and the Democrat, for which she is student reporter. Carrie Sue plans to make journalism her major at Texas University. Writing is also her hobby, but surprising enough, English is not her favorite subject; it is Plane Geometry. Sue was one of the ten chosen for membership in the National Honor Society this last semester.

WHO'S WHO and WHY





SUE DAVIS

Sue is one who made a big start when she came to S. H. S. three years ago and is still doing so. She has no favorite subject; she just likes them all. Her hobbies are collecting stamps and dogs, but not live ones. Sue is Secretary of the Junior Class, Secretary of her Home Room, works as a library assistant, and is a member of the National Honor Society. Sue is also on the Athenian Staff. Sue plans to go to Austin College, where she will train to be a public secretary.

PHILLIP MORROW

Phillip Morrow has made many appearances before the student body as President of the Senior Class. He is also President of the Hi-Y and a member of the Math Club, the "S" Association, and the National Honor Society. Phillip was chosen as the Most Popular Boy of S. H. S. and reigned as King at the Variety Show. His favorite subject is Math. After graduation, he will begin his pre-med work in college.

SARAH McLANE

Sarah has won for herself much well-earned praise through her singing. She has been featured on many programs throughout her high school years, and everyone looks forward to hearing her. Music is Sarah's favorite subject, and she hopes to major in it at Montana State University. Her hobby is sewing. Sarah is a member of the National Honor Society, President of the Future Homemakers, writes articles for the Hi-Talk, and is an office girl.

ELIZABETH GARLAND

Elizabeth is that small but cute Sophomore, who is seen going about her work in a very interested sort of way. Here's hoping that she'll keep up with that sort of way and put it into good use when she becomes a first-grade teacher, as she some day wants to be. Elizabeth plans to go to Texas University to get her training. At present, her favorite subject is English. Elizabeth is on the Hi-Talk staff.

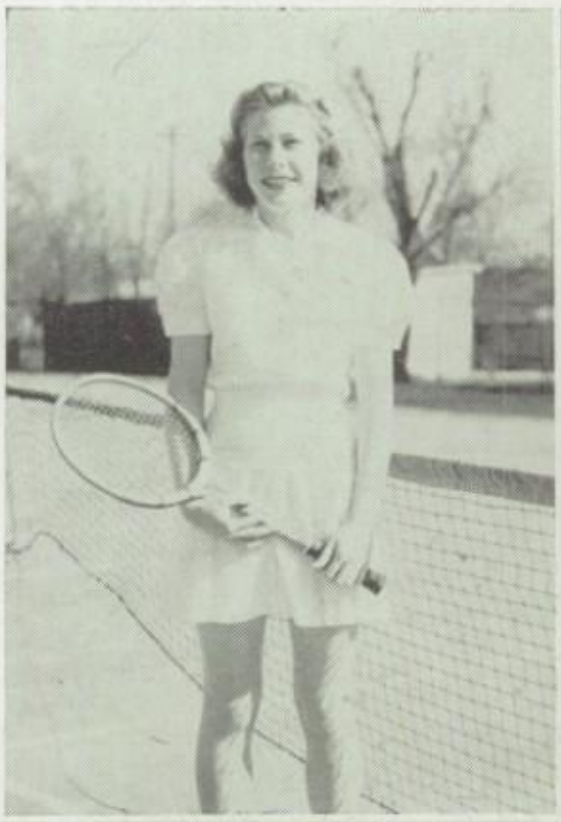
WHO'S WHO and WHY

JERALINE MASSINGALE

Jeraline has made good use of her four years in High School. She has been particularly outstanding as a member of the tennis team, of which she is now captain. She is a member of the "S" Association, of the National Honor Society, and of the Hi-Talk Staff. She was chosen Most Representative Girl of S. H. S. this year. Her favorite subject is mathematics, but if she goes to college, Jeraline plans to major in home economics or journalism.

GUION TRAU

Guion, though only a freshman, has already made herself known to the entire student body through her success in declamation. She won first place in district; and in the regional meet where she competed with 18 others, she won second place. Guion is in the "S" Association, is a member of the Athenian Staff, and is Secretary of the Freshman Class. Her favorite subject is Latin, while her hobby is writing character sketches. After graduation Guion plans to attend Cornell University.



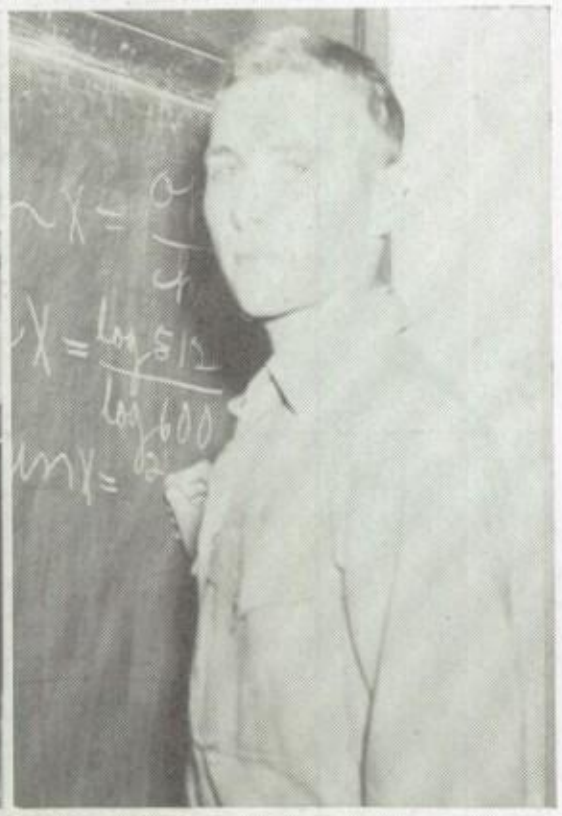
IMOGENE PENNELL

Imogene though not known by so many students, is well-thought of and well liked by all who do know her. She goes about her work in a calm, quiet way, but she always has something to show for her time and effort used. Imogene is President of her Home Room and she is a member of the Order of Business Efficiency. She is also one of the typists for the Hi-Talk. Her favorite subjects are Bookkeeping and Office Practice. After graduating from high school, Imogene plans to go to work and become a secretary.

EARL HEAD

Earl is one of the most outstanding of the senior boys. All through his high school years he has been active in many clubs and organizations and has proved himself an asset to these activities. At present, he is a member of the "S" Association, Hi-Y, Math Club, is President of the Chem-Phy Club and Vice-President of the National Honor Society. He is also a member of the tennis team, which is, at present, his hobby. Earl's plans are to enter Baylor University in the fall, where he will train to be a minister.

WHO'S WHO and WHY



CORRINE MILLER

Corrine is another Senior girl who has won much praise for her singing. Corine not only puts her soprano voice to good use but is also quite skillfull in the use of her hands, with embroidering as her hobby and shorthand as her favorite subject. She is in the Choir, is Secretary of the National Honor Society, and is an office assistanct. Corrine plans to enter E.T.S.T.C. next fall, where she will major in Business Administration.

BOB HENDERSON

Bob definitely brought himself into the limelight this year through his superb basketball playing and the good showing he made for himself and the school in track. As should be, sports are Bob's hobbies. His favorite subject is mathematics. Besides his participation in track, Bob is also a member of the Math Club and the Hi-Y. He plans to go to N.T.S.T.C. where he will do pre-med work.

JOE WALSTON

Well-known to almost every student in S.H.S is Joe, for he is Athenian photographer. Not only did he take pictures all this past year, but he also developed and printed them. Joe had time for such other activities as the Dramatic Club and won 1st place for best individual acting in the one-act play contest at Denton; the Camera Club, of which he is President; the Band; and the National Honor Society. Joe's favorite subject is science and his hobby is hypnosis. He plans to attend Baylor University.

MARY FRANCES SHEFFIELD

Mary Frances, the red-haired editor of the Athenian, is identified in S.H.S. with Room 109. Mary Frances likes any subject that has to do with secretarial-training and her hobby of collecting letter-heads also has a secretarial flavor. She is a member of the National Honor Society, the "S" Association, the Homemaking Club, and is secretary of her home room. Mary Frances plans to attend Austin College after graduation where she will major in business administration.

Before a fine crowd who turned out in good football weather to see what the new team and new coaches, Finis Vaughn and Herbert Pior, offered in grid fare for a new season, the Sherman Bearcats romped to an easy 24-2 win over the McKinney Lions on September 15.

On September 22, the Bearcats were outplayed by Paul Snow's North Side Steers to the time of 13-0.

One of the top football games in District 5AA was reeled off at Gainesville, a game in which the Bearcats proved that they were the better team in a thrill-packed 7-6 on November 3.

On November 10, the Greenville Lions splashed 36 yards after a weak Sherman punt to register a 7-0 victory in the first quarter.

BASKETBALL SNAPSHOTS

The Bearcats started off with a bang in their basketball season. They defeated their first five opponents and were then considered the best team to represent Sherman in many years; however, when they started on the second round of district games, Greenville broke the Bearcats' winning streak. This seemed to dishearten Sherman's five and both Denison and Gainesville upset them in the last round. Since Coaches Vaughn and Pior had but two lettermen from last year's squad to work with, they started a "B" squad, who played very expertly for beginners, in order to build up the teams of the future. Herschel Jay and Tommy Miller were voted on the mythical 5AA all-district team and Jimmy Carter was on the Second Team.
